

Welcome to Living Water Studios – a division of Kigame Music Productions- where all your Christian recording needs will be handled by a godly staff that listens to the Lord and the artist. Here, we will help you experience part of what the Psalmist meant when he wrote: “He put a new song in my mouth; a hymn of praise to our God. Many will hear and put their trust in the Lord.” (Psalms 40:3).

Situated in a serene garden setting on the outskirts of Eldoret town which lies on Kenya’s western highlands, Living Waters studios will provide everyone who records with us a peaceful environment to record all that is in the heart.

At Living Water Studios we do not work per hour as is the case with other studios. We let the artist lay down his/her music at ease until the desired satisfaction is achieved, no matter how long the process takes. Our desire is to present unto the Lord our God material that is worth His person, something pleasing and honouring to Him.

Below, please find our costs, which, to our knowledge, are unbeatable for what we offer.
